

Press release**Claudia Lewin and Karen Proff join ABG Real Estate Group**

Frankfurt/Main, 1 March 2021 – In March 2021 Claudia S. Lewin (38) and Karen Proff (50) will join ABG Real Estate Group’s team, Lewin as a Senior Project Manager and Proff as Senior Manager Letting.

Ms Lewin has 13 years of experience in the German and international real estate sector, especially in asset management and the implementation of real estate concepts. She has worked for several renowned international investors such as Pembroke Real Estate and Colliers CRE; most recently, she worked in asset management for Tristan Capital. She will be focusing on the acquisition and marketing of development projects, but also on the existing properties of ABG’s new business line ABG Capital. With the 35,000 sqm landmark office building “VoltAir” (near Berlin’s iconic Alexanderplatz) and the housing construction project “Schuberts Gärten” in Berlin-Zehlendorf, ABG is currently managing two prominent projects in the German capital.

Real estate economist (ebs) Karen Proff (50) has 25 years of experience in the German real estate market. She was responsible for letting at Hochtief Projektentwicklung in Berlin, Pamera (Barings) in Munich and most recently at Catella Projektmanagement GmbH in Düsseldorf. Based in Frankfurt, she will be responsible for nationwide letting and support the ABG Development Team.

Ulrich Höller, Managing Partner at ABG Real Estate Group, said: “With Claudia Lewin and Karen Proff, we have managed to attract two renowned and seasoned experts with all the expertise that professional project management requires.”

About ABG Real Estate Group:

ABG Real Estate Group, founded in Munich in 1967, looks back on a success story spanning 50 years. With its ABG Development, ABG Immobilienmanagement and ABG Capital divisions, the Group is a one-stop shop covering the entire real estate cycle – from project development and construction management to renting, financing and investment management. ABG’s focus lies on Germany, with offices in Hamburg, Frankfurt am Main, Berlin, Cologne and Munich. With more than 80 staff, it plans and implements mainly commercial properties, but also residential projects and entire urban districts or quarters. Over the past ten years, the Group has completed projects with more than €5 billion in investment volume, with another €2.7 billion currently in the project development pipeline. ABG’s reference sites comprise renowned properties such as the Skyper and Garden Tower skyscrapers in Frankfurt am Main, the Ericus-Contor/SPIEGEL publishing house in Hamburg, and the combined residential and office building at Pariser Platz in Berlin. The list of ABG’s most recent projects includes the new Deutschlandhaus in Hamburg, the VoltAir project in Berlin, the LIVING ISAR residential quarter project in Munich, as well as various developments in Cologne and Dusseldorf.
