

Press release**Tom Soreq becomes Managing Director of ABG Development**

Frankfurt, 26 March 2021 - As of 1 April 2021, Tom Aviv Soreq (50) will join the ABG Real Estate Group team as a further managing director of ABG Development GmbH. In addition to Soreq, Carsten Faust (56) and Guido Wiese (54) are also members of the ABG Development management team.

Tom Soreq will primarily be responsible for the central region, in particular the Rhine-Main area, as well as for selected projects in North Rhine-Westphalia and Munich.

Tom Soreq, a civil and industrial engineer (FH), has more than 20 years of profound and diversified experience in the development sector. He has held numerous management and leadership positions: Since 2011 at Tishman Speyer Properties Deutschland GmbH; there he was responsible for several major projects as Senior Director Design and Construction. Before that, he worked for Wayss & Freytag Ingenieurbau AG for many years.

Ulrich Höller, Managing Partner at ABG Real Estate Group: "With Tom Soreq, we have been able to gain a real estate manager for ABG who, with his wealth of experience and high level of real estate expertise, will contribute to the efficient and successful realisation of the challenging ABG projects."

About ABG Real Estate Group:

ABG Real Estate Group, founded in Munich in 1967, looks back on a success story spanning 50 years. With its ABG Development, ABG Immobilienmanagement and ABG Capital divisions, the Group is a one-stop shop covering the entire real estate cycle – from project development and construction management to renting, financing and investment management. ABG's focus lies on Germany, with offices in Hamburg, Frankfurt am Main, Berlin, Cologne and Munich. With more than 80 staff, it plans and implements mainly commercial properties, but also residential projects and entire urban districts or quarters. Over the past ten years, the Group has completed projects with more than €5 billion in investment volume, with another €2.7 billion currently in the project development pipeline. ABG's reference sites comprise renowned properties such as the Skyper and Garden Tower skyscrapers in Frankfurt am Main, the Ericus-Contor/SPIEGEL publishing house in Hamburg, and the combined residential and office building at Pariser Platz in Berlin. The list of ABG's most recent projects includes the new Deutschlandhaus in Hamburg, the VoltAir project in Berlin, the LIVING ISAR residential quarter project in Munich, as well as various developments in Cologne and Düsseldorf.
