

The ABG group of companies has been active for over 50 years and is now one of the most experienced property developers in Germany. With offices in Berlin, Frankfurt, Hamburg, Cologne and Munich, we deliver high-quality projects and offer the full spectrum of services throughout the entire life cycle of a property under one roof. Our inter-disciplinary teams ensure the long-term success and superior quality of our projects.

Our Munich-based team is looking to appoint the following permanent staff member at the earliest opportunity:

FINANCIAL ACCOUNTANT/COMPANY ACCOUNTANT (M/W/D)

You will have an appropriate qualification in business studies with a focus on accounting and finance. A bachelor's degree in business studies or company accounting would be a distinct advantage. You will have basic to medium-term experience in a comparable position, ideally within the real estate sector. You will be experienced in the use of SAP and DATEV systems and the usual MS Office programmes (Word, PowerPoint, Excel & Outlook). You will have a pro-active, disciplined and meticulous approach to work, the ability to work as part of a team, and a friendly and amicable personality.

DUTIES INCLUDE:

- » Self-reliant approach to everyday book-keeping activities
- » Creation of advance VAT returns
- » Preparation of annual financial reports (in accordance with the German Commercial Code)
- » Providing a point of contact for banks and auditors
- » Lease contract management
