

The ABG Real Estate Group was founded in Munich in 1967 and has a successful track record going back over 50 years. The company's divisions ABG Development, ABG Immobilienmanagement and ABG Capital cover the entire life cycle of a property under one roof, from project development and construction management to letting, financing and investment management. ABG's focus is on Germany with its own offices in Hamburg, Frankfurt, Berlin, Cologne and Munich. It employs a staff of around 75 and is primarily active in the planning and development of commercial properties but also residential projects and district developments. Over the last 10 years the group has developed projects with a total investment volume of over Euro 5 billion and the current project pipeline amounts to more than Euro 2.5 billion.

We are currently seeking a company accountant for our team in the Munich office. This is a permanent position to start as soon as possible.
